WHO I AM

CHORUS:

Em B

Who I am, who I am

C G

Oh, I lo-o-ove who I am

Em B C G

Cause I'm made just the way I should be

VERSE 1

Em C

You made me sweet, you made me bold

G B

There goes the broken mold

Em C G

Yeah, you love me - that's why you made me who I am

Em C

You know me better than anyone

G B

Call me your daughter and you call me your son

Em C G B

Yeah, your favorite is exactly who I am

CHORUS

VERSE 2

Em C

I admit sometimes I move away

G B

Try to do the things I want my way

Em C G B

But that doesn't get me anywhere

Em C

But I'm starting to realize

G B

That's just a big disguise

Em C G B

And it's not who I am - anymore

CHORUS

BRIDGE:

Em B

It's so easy to forget

C G

All the things that I know I am

Em B

And when I need to be reminded

C D

I go straight to the one who decided
