

PRAYING WITH YOUR KIDS

Prayer is how we connect with God. While it's amazing to have a personal, intimate God, sometimes talking with him can feel like a challenge. Here are some ideas for ways to pray as a family this week.

MONDAY

Pray Anytime

I THESSALONIANS 5:17

Look for opportunities throughout the day to pray. Like when you're eating breakfast, brushing your teeth or riding in a car!

TUESDAY

Praise Any Way

JEREMIAH 29:12

We can pray out loud or in our heads, and God always hears us.

For fun, try *drawing* a prayer of praise (that's when we tell God what we love about him).

WEDNESDAY

Thankfulness Drill

I THESSALONIANS 5:16

Choose random times to say, "Freeze!" No matter what your family is doing, see if everybody can stop and give thanks for something.

THURSDAY

Just Listen

JOB 33:14

Hearing God's voice takes practice, because he speaks in different ways. Go outside or open a window and listen. What might God be saying in those sounds?

FRIDAY

Pray for Friends

I TIMOTHY 2:1

Think of a person who needs help and ask God to be with them. If you can't think of anybody, open Instagram or Facebook. Pray for the first three people who show up.

SATURDAY

Invite God Over

PSALM 145:18

Sit at a table or in a circle. Imagine God is sitting with you. Tell Him something about your day.

SUNDAY

Repent and Believe

MARK 1:15

When we realize we've messed up, **we can repent!** That's when we confess to God something we thought, said or did wrong...and choose to turn and obey him instead.
