LESSON TITLE

MAIN POINT

## schedule

This is a recommended schedule. You can adjust, but do make time for the lesson and the activity!

- 15 minutes Check in and play time
- 5 minutes Clean up toys
- 10 minutes Prayer/sing/snack
- 5 minutes Lesson/story time
- 10 minutes Lesson activity/craft
- 5 minutes Song time
- 10 minutes Play and clean up time

## tips

Model what you want kids to do! It takes a lot of repetition for two-year-olds to grasp a concept, so when they see you do something yourself (for example, sharing a toy with someone) it will help them learn it too.

## check-in/out

As you check in kids, be sure to ask parents if their kids are potty-trained or are working on it. And so you know - if there is an "accident" we've got some clothes available to send them home in.

Not sure where to find clothes? Call the Info Center to have someone help you. The number should be posted in your room.

## large group heads up

Today we'll talk about how Jesus walked on water! He did an amazing miracle, because he's God and he can do anything!

## instructions

**Goal:** Help kids understand God's story in a language they understand.

**Why?** We want kids to believe that God loves them, and a great way to do that is to help them experience stories about how much he loves us!

**Tip:** Have fun acting out parts of the story with kids. Be dramatic and use fun voices to help draw them in!

## small group

### ACTIVITY 1

- **Supplies needed: Blue plastic strip**
- Set out the strip of blue plastic on the floor. Tell kids to pretend that this is water, and we're going to pretend to walk across it with Jesus!
- Let kids take turns walking across the blue "water," and remind them that Jesus can do anything, even walk on water!

### ACTIVITY 2

- **Supplies needed: coloring page and crayons**
- Hand each kid a coloring page. As kids color their page, ask:
  - Did Jesus walk on water? (Yes)
  - Can Jesus do anything? (Yes)

## presenter tips

In the script, you'll have kids follow your actions. Have them stay seated for this part, so that they can actively interact while also not wandering away and getting distracted.

### INTRO

- Hi everybody! It's so good to see you today. This is the Bible, and it's a very special book! (Show the Bible to kids) It's all about God, and how much he loves us. God loves me (Point to yourself) and God loves you! (Point to kids)
- God loves us so much, that he sent someone to rescue us from all the sad things in the world. That rescuer is Jesus! Can you say "Jesus"? (Let kids respond.) Good job.
- Since Jesus is our rescuer, he can do ANYTHING. He can do amazing things that no one else can do! Let's watch a video and see how he walked on water.
- **Video: Jesus walks on water (Twos Story)**

### ENGAGE

- Wow! Did Jesus walk on top of the water? (Let kids respond.) He sure did! First, he was in a boat with his friends, and a storm came! Let's all pretend like we're in a boat, and there's a storm. Everyone lean THIS way! Now lean THIS way! (Act out with kids like you're in a storm.)
- After that, Jesus did something amazing. He got out of the boat, and he walked on top of the water! He didn't sink or fall, because he's Jesus, and he can do anything! Next, he asked his friend Peter to come out on the water too. So Peter got out of the boat, and walked on the water with Jesus.
- You see, Jesus can do AMAZING things. And guess what else? He loves us sooooo much!
  - Can Jesus do anything? (Yes!)
  - Can Jesus help us? (Yes!)
  - Does Jesus love us? (Yes!)
- Now let's watch a song that's all about how Jesus can do anything, even walk on water!
- **Music Video: Jesus walks on water (Twos Song)**
- **Pray:** Dear Jesus. You can do anything. We love you! Aaaa-men!
